

McPherson Magnet's

LET'S GET THE BALL ROLLING!

Fall Fundraiser

Together
we can make
a BIG difference!

It's time for McPherson Magnet's Fall Fundraiser—and we're going for a

\$40,000 WIN!

Your support helps provide opportunities for all K-8 students!

ELEMENTARY P.E.

Funds will support the P.E. program our teachers have specifically requested, giving students dedicated P.E. time while allowing teachers valuable time to focus on lesson planning and classroom preparation.

MIDDLE SCHOOL ENRICHMENT

Since middle school already has a P.E. program in place, funds will provide monthly enrichment activities, giving our students additional opportunities to learn, explore and connect throughout the year.
